1. Purpose

Crystal Health Group are an equal opportunities employer. We are committed to equality of opportunity and to providing a service and following practices which are free from unfair and unlawful discrimination. The aim of this policy is to ensure that no person receives less favourable treatment on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy or maternity, race, religion or belief, sex or sexual orientation, or is disadvantaged by conditions or requirements which cannot be shown to be relevant to performance. It also seeks to ensure that no person is victimised or subjected to any form of bullying or harassment.

The terms equality, inclusion, diversity and equity are at the heart of this policy. "Equality" means ensuring everyone has the same opportunities to fulfil their potential free from discrimination. "Inclusion" means ensuring everyone feels comfortable to be themselves at work and feels the worth of their contribution. "Diversity" means the celebration of individual differences amongst the workforce. "Equity" means recognising barriers and that some groups are more advantaged than others and putting measures in place to eliminate these barriers ensures equal opportunities for all. We will actively support diversity, equity and inclusion and ensure that our workforce is valued and treated with dignity and respect. We want to encourage everyone in our business to reach their potential.

We value people as individuals with diverse opinions, cultures, lifestyles and circumstances. This policy covers all employees, officers, consultants, contractors, volunteers, casual workers and agency workers and it applies to all areas of employment including recruitment, selection, training, deployment, career development and promotion. These areas are monitored and policies and practices are amended if necessary to ensure that no unfair or unlawful discrimination, intentional, unintentional, direct or indirect, overt or latent exists.

All managers must set an appropriate standard of behaviour, lead by example and ensure that those they manage adhere to the policy and promote our aims and objectives regarding equal opportunities. Managers will be given appropriate training on equal opportunities awareness and equal opportunities recruitment and selection best practice.

The Company Director(s) has particular responsibility for implementing and monitoring the equality and diversity policy and, as part of this process, all HR policies and procedures are administered with the objective of promoting equality of opportunity and eliminating unfair or unlawful discrimination.

All employees, workers or self-employed contractors whether part time, full time or temporary, will be treated fairly and with respect. Selection for employment, promotion, training, or any other benefit will be on the basis of aptitude and ability. All employees will be helped and encouraged to develop their full potential, and the talents and resources of the workforce will be fully utilised to maximise the efficiency of Crystal Health Group.

Equality of opportunity, valuing diversity and compliance with the law is to the benefit of all individuals in Crystal Health Group, as it seeks to develop the skills and abilities of its people. While specific responsibility for eliminating discrimination and providing equality of opportunity lies with managers and supervisors, individuals at all levels have a responsibility to treat others with dignity and respect. The personal commitment of everyone to this policy and application of its principles are essential to eliminate discrimination and provide equality and equity throughout Crystal Health Group.

Breaches of this policy will be dealt with in accordance with our disciplinary procedure.
